

Please create a personal MEDICARE account to be used during OPEN ENROLLMENT from October 15 to December 7, 2020. This account is how you/the SHINE Counselor will check your current health insurance and prescription drug plans to determine if you want to make changes for January 1, 2020

How to create a My Medicare Account for a Personalized Search

When you create an account, you can:

- Build a better drug list. We'll make suggestions based on prescriptions you filled within the last 12 months.
- Modify your drug list and save changes.
- Compare benefits and costs in your current plan to other plans available in your area.
- See prices based on any help you get with drug costs.

Have the following information ready (for yourself or the person you are helping):

1. Medicare Number – you can find this on your red, white and blue Medicare Card. If you are new to Medicare and don't have your Medicare Card yet, you can get your Medicare Number on the letter you get from Social Security after you enroll.
2. Last name
3. Date of birth
4. Current address with Zip code or city
5. Part A or Part B coverage start date – (find this on your Medicare Card)

Once you add this information and select "Next," you can create a Username & Password and use Your New Medicare Account. You can write your Username & Password below.
