We are grateful for clean, gently used goods:

Antiques, aprons, books, collectibles, costume jewelry,
craft supplies, DVD movies, fabric, flatware
furniture (small), handbags, kitchen towels & gadgets,
linens, lamps, music CDs, pans, plates, pots, tools (small
hand & gardening), utensils, unopened puzzles,
watches, wheeled luggage, yarn.

We are especially interested in SILVERPLATED items.

Discontinued this year: NO Glassware including beverage, cocktail and wine glasses, NO multi-piece place settings, no mirrors, picture frames, posters or framed artwork. We simply do not have the space.

TURN OVER

Sorry, we cannot accept the following items due to lack of storage space, child safety/health requirements, no access to recall notices, no testing equipment or lack of interest in old technology:

~This year we are no longer accepting any greeting cards, wrapping paper, bows, flower vases, briefcases, or dolls.

~No electronics such as VCR/CD/DVD players, TV's, cordless phones, film cameras, computers/monitors, printers, keyboards

~No sports equipment including helmets, gloves, ice skates, racquets, bats, golf clubs, skis, etc.

~No holiday decorations (Xmas, Halloween, Easter, Valentines, New Years, Birthdays, Anniversaries etc.)

~No vinyl phonograph records, cassette tapes or VCR tapes

~No infant car seats, no strollers, no cribs, play yards or pack & plays (aka playpens)

~No clothing or footwear—we have no appropriate display racks.

~No used sheets, bed pillows, throw pillows, cushions or stuffed animals for sanitary reasons.

Kindly check with your local Public Works Department for proper disposal of white goods, tires, bicycles, large furniture, mattresses, scrap metal or hazardous waste.

THANK YOU for your cooperation. We are a group of dedicated volunteers trying to raise money for the Senior Center. We appreciate you following these guidelines so it doesn't cost us money to dispose of items that are illegal, out of date or past their prime.

Cheers, the 'Barn Babes'
